OCA's wines are thoughtfully chosen from the very best of our suppliers' vineyard agencies. Our house wines are selected offerings of the moment, and entertainingly change from time to time for your continued drinking enjoyment.

"I drink champagne when I'm happy and also when I'm sad. Sometimes I drink it when I'm alone, but when I have company I consider it a must. I tinker with it if I'm not hungry and 'quaff' it heartily when I am. Otherwise I never touch it... unless of course, I'm thirsty!" (Lily Bollinger, 1899-1977) \* Pour me a taxi... I've had enough to drink! \* I keep reading that drinking is bad for you... so I've decided to finally give up reading! \* An abstainer is the sort of man you wouldn't want to drink with even if he did.

like a day without sunshine. \* When we drink, we get drunk. When we get drunk, we fall asleep. When we fall asleep, we commit no sin. When we commit no sin, we go to Heaven... so, let's all get drunk and go to Heaven. \* Good wine ruins the purse; bad wine ruins the stomach. \* The best use of bad wine is to drive away poor relations. \* "My dear girl, there are some things that just aren't done, such as drinking Dom Perignon '53 above the temperature of 38 degrees Fahrenheit. That's just as bad as listening to the Beatles without earplugs!" (Sean Connery as James Bond in Goldfinger, 1964) \* "I was in love with a beautiful blonde once. She drove me to drink; that's the one thing I'm indebted to her for." (W.C. Fields in Never Give a Sucker an Even Break) \* "What contemptible scoundrel stole the cork from my lunch?" (Larson E. Whipsnade (W.C. Fields), in You Can't Cheat an Honest Man (1939)) \* "In victory I deserve Champagne... in defeat I need it." (Napoleon Bonaparte) \* "Wine never dies. Instead it lives on in the soul of the person who consumes it." (Baron Philippe de Rothschild) \* The difference between a drunk and an alcoholic is that a drunk doesn't have to attend all those terribly time-consuming AA meetings. \* Definition of an alcoholic... Someone you don't like who drinks as much as you do.
